

## iTouch Keeping you nTouch

Imagine having access to your hotel data no matter where you are or what time of the day it is. Imagine having the ability to make business decisions from anywhere. MSI's mobile technology now puts the power in your hands with *nTouch*.

*nTouch* lets you check availability, look up a VIP guest, check room status or see how you are doing with RevPar, ADR and Occupancy goals to budget, right from your iPhone or iTouch mobile device.

Features include:

### Dashboard

- ✓ Calendar View of your *Occupancy*, *ADR*, and *RevPar* by month, week or day
- ✓ Daily View allows you to compare today's *Occupancy*, *ADR*, *RevPar* to budget, previous day or previous week

### Rooms

- ✓ Quick glance *Housekeeping Status* (review / confirm / change)
- ✓ Drill down to *Room Detail* including a glance at the guest reservation information
- ✓ Room List scrolling or jump by sections

### Guests

- ✓ Arrival List
- ✓ In-House List
- ✓ Departure List
- ✓ Search for a specific guest
- ✓ Scroll through all arrivals, in-house, departures
- ✓ Drill into reservation

Imagine an application designed for a busy, on-the-go hotel staff committed to guest service. Imagine no more, get *nTouch* with MSI's mobile applications for your hotel today.
